Dear Howie:

It is with considerable embarassement that we are returning to you under separate cover your tape recording on the Yale- Princeton Game. We were never informed of your intentions regarding the matter other than a notification ~~that~~ a letter would be forthcoming containing you specific requests. Needless to say, we never received that letter and the only contact we had with you was on the Saturday before the game when several of WYBC'S staff came down to WPRU and discussed the matter.

By that time it was too late and we still didnt know whether you wanted the interview on tape, record, or the time limits or players to be interviewed.

I mention this only to show that we certainly would have cooperated had we had the information that we requested in our preliminary letter. However I am sorry for the mixup and trust that such a situation wont occur again.

Let me thank you again for your efficient handling of the interview.

Yours truly

Ralph DeNunzio
